Amazon programmers have a sense of humor, and they show it by programming silly questions, answers and jokes into Alexa. If you have an Amazon Echo device at home, you can have a few laughs by asking your smart device funny questions. If you ask Alexa, tell me a joke, she will often say a pun or a silly joke like: How do zombies lower cholesterol? Has he lowered his diet to strictly vegetarians? or what is the best time of year to go skydiving? Drop. But, Alexa is a hit and miss, and some of her jokes and Easter eggs are funnier than others. Our humorous guide tells you a few questions to ask Alexa to cause a few laughs. While many jokes resemble banana daddy jokes, it's the electronic voice that makes the answers even more fun.
